# 1

For each new contract signed during March 2018 with Sydney Sheds and Garages we'll supply one (1) free Taurean Nova 1000 automated roller door opener

#### Conditions:

Offer is limited to one (1) Taurean Nova 1000 automated roller door opener per customer. Maximum door curtain size of 20m<sup>2</sup>. Contract must include at least 1 suitable roller door. Installation is included where Sydney Sheds and Garages is installing the kit. Applies only to the Select and Designer ranges; Standard kits are excluded. 240 volt power supply is not included and must be provided by the owner after installation. The Taurean Nova 1000 automated door opener will be installed and programmed at time of installation of the kit from an extension lead from power provided by owner. Standard manufacturers warranty applies. Offer is applicable for contracts signed and deposit paid during March 2018. Standard planning approval (where applicable) and installation lead-times apply. Includes one (1) Taurean Nova 1000 automated roller door opener and two (2) remote controls. Sydney Sheds and Garages reserves the right to substitute for a similar product if the manufacturer discontinues this model prior to kit ordering and delivery. Cannot be used in conjunction with other special offers.
